Forever Wild

The Majestic Red-tailed Hawk can frequently be seen soaring over the pristine Notre Vue Estate. Our family is proud to have dedicated 350 acres as a "Forever Wild" nature preserve in an effort to support our abundant wildlife. This wine is a direct reflection of our sustainable winemaking philosophy and our rich agrarian heritage.

This Malbec is derived from the French clone 595 and is one of the brightest stars on the Estate. The palate explodes with juicy plum and wild blackberry. The finish is long and smooth from spicy French oak.
